19 responses

- 4 - Strongly agree
- 3 - Agree
- 2 - Neutral
- 1 - Disagree
- 0 - Strongly disagree

21. Give suggestions to improve the overall teaching – learning experience in your institution.

19 responses

No

-

Use better graphics and visual media to engage students well. Better graphics and colors arouse the interest and desire to learn among students. Even if they are in senior classes, this way must be adopted

Teaching is very nice .all staff was so coperate.& Helping nature.

Everything will be in a good manner

For teaching and management use lcd bord and projector while itching

HAD GREAT EXPERIENCE WITH THIS INSTITUTE.

No need

NA

For instance no suggestion

Need more books in library

Bus facility

Should focus on Gpat/ NIPER exams.

Very Good

.

No suggestion

Good

No

Nothing

Use better graphics and visual media to engage students well. Better graphics and colors arouse the interest and desire to learn among students. Even if they are in senior classes, this way must be adopted...

great experience in this institution.i have lots of learning about this institution.

Everything will be good as teaching staff and study mehtod

No

HAD GREAT EXPERIENCE WITH THIS INSTITUTE.

Provide more oppotunities to growth and learn

NA

Do best always

For instance there is no suggestion

Nothing

intstitute should provide internships in Pharma industry to Students.

-

I think if government pays full time salary to teachers then they will teach us better and better.

I think if government pays full time salary to teachers then they will teach us better and better

.

Competitions

Use of cooperative learning.

I think If government pays full time salary to teachers then they will teach us better and better

Very Good

I think if government will give full time salary to teachers then they will teach us better.

No suggestions all is good

Solve all students problems

Please support teaching staff

There is no need of suggestions

Excellent

Good

No suggestions

Ask for feedback from your students

Try to arrange stable staff in the Institute because its affect students mentality towards their curriculum also need to improvement in practical labs, and provide proper practical knowledge to the student. Thank you.

All thing are Very well there is no need of suggestions

I think if goverment pays full time salary to teacher then they will teach us better and better

Each and every thing is perfect

None

Better

I don't have to give any suggestions to institution because overall teaching and other activities are very well

They are very well and excellent

No

I think if government pays full time salary to teachers then they will teach us better and better

NA

Excellent

I think if government pays full time salary to teachers then they will teach us better and better

Encourage student involvement in extracurricular activities, clubs, or research projects to enhance their skills, creativity, and passion for learning.

I think if government pays full time salary to teacher then they will teach us better and better

I think if government pays full-time salary to teachers then they will teach us better and better

We want placements through college campus or want a better college campus

Foster a collaborative learning environment by encouraging teamwork, peer learning, and interdisciplinary collaborations among students to promote critical thinking, communication skills, and knowledge sharing.

Encourage interactive and participatory learning methods such as group discussions, case studies, problem-solving activities, and debates to engage students actively in the learning process.

Utilize the latest technologies

Utilic

I think If government pays full time salary to teachers then they will teach us better and better.

Improve on experience based learning

Must be better

Improve experience based learning

Foster a collaborative learning environment by encouraging teamwork, peer learning, and interdisciplinary collaborations among students to promote critical thinking, communication skills, and knowledge sharing. Encourage interactive and participatory learning methods such

as group discussions, case studies, problem-solving activities, and debates to engage students actively in the learning process.

At more practical knowledge for therapeutic subject

Professional development

Use better graphics and visual media to engage students well.

I think if government pays full time salary to teachers then they will teach us better.

Lcd projector learning

Encourage interactive and participatory learning methods such as group discussions, case studies, problem-solving activities, and debates to engage students actively in the learning process.

Very good

Basic concepts are clear in students

Good teaching

Clear to Basic Concepts

No suggestions

I think government pays full time salary to teachers than they will teach us better and better

I thing government paid teachers salary on the time then they teach us better.

Digital interaction

I think if government pays full time salary to teachers then they will

I think if government pay full time salary then they will teach as better.

I think is government pays full time sallery to teachers then they will teach us better and better

I think government pays full time salary to teacher than they will teach us better and better

I think if government pays full time salary to teachers then will teach us better and better

New digital technology advance and knowledge provide

I think government pays fulltime salary to tecahers then they teach us better

Use better graphics and visual media to engage students well. ...

Try to reach every student and ask for their doubts. ...

Make teaching a two way interaction.

Creating a positive and inclusive leaning environment , using variety of teaching strategies.

Being friendly to students, having a good rapport with students.

I think if government pay full time salary then they will teach us better.

Increase lav equipment

I think if government pays full time salary to teachers then they will teach us better n better

I think If government pays full time salary to teachers then they will teach us better and better

I think if government will give full time salary to teachers then they will teach us better.

Solve all students problems

All good

Please support teaching staff

No need of suggestions

Our collage all Teaching staff is Excellent

No suggestions

Reflective practise.

All thing are Very well there is no need of suggestions

I think If government pays full time salary to teachers then they will teach us better and better

I think if goverment pays full time salary to teacher then they will teach us better and better

Everything is Perfect

None

I think if government pay full time salary then they will teach as better

I think government pays full time salary to teachers then they will teach us better and better..

All over good in college

Excellent 👍

I don't have to give any suggestions to institution because overall teaching and other activities are very well

Have to focused on projector and should have effective practicals

I think if government pays full time salary to teachers then they will teach us better and better

20 responses

No suggestions

Nothing

Suggestions is that provide projector teaching in every class and advanced instrumentation like UV,HPLC, & all .

Use better graphics and visual media to engage students well. Better graphics and colors arouse the interest and desire to learn among students. Even if they are in senior classes, this way must be adopted...

Great experience I have collected in this institution.

Everything will be good manner with proper guidance

I HAVE COLLECTED GREAT EXPERIENCE IN THIS INSTITUTE.

Improve the ICT tools while teaching

NA

For instance there is no suggestions

Use of projector

As pharma Institute required instrument and Chemicals for Practical things . if all the Required chemicals and Instruments are available in labs it will help students to explore more in pharma field. suggestions is that Institute shoud increases availability of chemicals and Instruments required for Lab.

I think if government pays full time salary to teachers then they will teach us better and better

I think if government pays full time salary to teacher then they will teach us better and better

NA

No suggestions

No suggestions.

I think government paus full salary to teacher then they will be teach as better and better .

Promote the experience based learning

Improving the quantity of books in library

I don't have to give any suggestions to institution because overall teaching and other activities are very well.

Strongly agree

Should increase number of teaching staff

I think government pays full time salary to teachers then they will teach us better and better

Very well

Best

I think government plays Full time salary to teacher then they will teach us better and better

Clear to basic concepts

All over is Very good there is no need of suggestions

Overall good

I think if goverment pays full time salaryto teachers than they with teach us better and better

Implementing technology in the classroom can offer several benefits. Like digital textbook and online resources make great impact on leaning.

I think if government paid full time salary to tecahers then they will teach us better

All thing are Very well there is no need of suggestions...!

Professional development

I thing if government pay full time salary to teachers then they will teach us better.

None

Butter to understand students problem and help them.

Best

Teaching should be slightly cleared . Adding pratical and Competative Exams Konwledge On daily basis in the lectures. Focusing and improving in conceptual learning should be more effective. And Improving College campus.
Thankyou.

Everything is Perfect

Digital interaction

I think if government pay full time salery then they will teach as better.

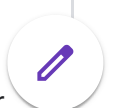

Teacher should be seen all the students equally because it doesn't matter how the students is and I think that all the teachers teach very nicely

Yes

Government is pay of full time salary in teacher then they will teach better then better

Improve experience based learning

I think it goverment pays full time salary to teachers then they will reach us better and better

Overall good

No I am satisfied with all my teacher staff

I think If government pays full time salary to teachers then they will teach us better and better.

Nothing

Solve all students problems

I think if government pays full time salary to teachers then they will techa us better and better

Try to reach every student and ask for their doubts..Make teaching into two way of interaction.
