EVENT REPORT

Name Of The Activity	A Seminar on Overview of Formulation Development	
Type Of Activity	Seminar	
Date And Time Of Activity	29/08/2022	10.00AM
No. Of Participants	23	
Resource Person	Dr. A.Bharath Kumar	
Coordinators	Mr Swapnil Bhandarkar	
Description	<p>The two-day seminar on the "Overview of Formulation Development" held at Trimurti Institute of Pharmacy on August 29, 2022, provided an insightful exploration into the intricacies of pharmaceutical formulation. Dr. A. Bharath Kumar, a distinguished expert in the field, led the seminar, offering a comprehensive overview of the formulation development process. The seminar covered various aspects, including the selection of excipients, dosage form design, and optimization techniques. Attendees gained valuable insights into the challenges and innovations shaping the pharmaceutical industry. Interactive sessions and case studies enhanced the learning experience, fostering a dynamic exchange of ideas among participants. The seminar served as a platform for professionals and students to deepen their understanding of formulation development, enabling them to stay abreast of the latest advancements in the field. Trimurti Institute of Pharmacy's commitment to facilitating such knowledge-sharing events contributes significantly to the continuous professional development of attendees and the overall growth of the pharmaceutical sector. Overall, the seminar proved to be a fruitful endeavor, fostering a collaborative environment for learning and networking within the pharmaceutical community.</p>

Description	<p>The two-day seminar on the "Career in Pharmacy" held at Trimurti Institute of Pharmacy on March 16, 2023, proved to be a transformative event for aspiring professionals in the pharmaceutical field. Dr. M. Maneesh Kumar, an eminent figure in the pharmacy domain, spearheaded the seminar, providing invaluable insights into the diverse and evolving career opportunities within the industry. The seminar covered a wide array of topics, including current trends in pharmaceutical research, emerging specializations, and the intersection of technology and pharmacy. Engaging workshops and panel discussions facilitated meaningful interactions between participants and industry experts, offering practical guidance on career planning and skill development. Attendees gained a holistic understanding of the dynamic landscape of pharmacy careers, from traditional roles in drug development to innovative paths in regulatory affairs, pharmacovigilance, and pharmaceutical marketing. Trimurti Institute of Pharmacy's commitment to organizing such seminars underscores its dedication to nurturing well-informed and prepared professionals. The event not only inspired attendees to explore diverse career paths within the pharmaceutical sector but also fostered a sense of community and collaboration among future pharmacists. Overall, the seminar played a pivotal role in guiding the next generation of pharmacy professionals toward fulfilling and impactful careers.</p> <div style="text-align: right;"></div>

Description	<p>The two-day workshop on Liquid Chromatography-Mass Spectrometry (LC-MS) held at Trimurti Institute of Pharmacy on April 10, 2023, proved to be an enriching experience for participants seeking in-depth knowledge of analytical techniques. Dr. Manikanta, an esteemed expert in the field, led the workshop, providing hands-on training and theoretical insights into the principles and applications of LC-MS. The workshop covered topics ranging from instrument setup and method development to data interpretation and troubleshooting, offering participants a comprehensive understanding of this powerful analytical tool. Attendees had the opportunity to engage in practical sessions, gaining proficiency in sample preparation, chromatographic separation, and mass spectrometric analysis. The workshop's interactive format facilitated discussions on real-world challenges, encouraging collaborative problem-solving among participants. Trimurti Institute of Pharmacy's commitment to organizing such skill-enhancing workshops highlights its dedication to preparing students and professionals for the evolving demands of the pharmaceutical and analytical industries. Overall, the LC-MS workshop not only equipped attendees with practical skills but also fostered a deeper appreciation for the capabilities and nuances of this advanced analytical technique, contributing to their professional development in the realm of pharmaceutical sciences.</p> <div style="text-align: right;"> PRINCIPAL Principal</div>

Description	<p>The one-day seminar on "Jan Aushadhi in Health Management" conducted at Trimurti Institute of Pharmacy on March 25, 2023, under the guidance of Dr. Prasad Joshi, provided a focused exploration into the role of generic medicines in healthcare management. The seminar aimed to shed light on the significance of Jan Aushadhi - an initiative promoting affordable generic drugs - in addressing healthcare challenges. Dr. Joshi, a distinguished expert in pharmaceutical policy, discussed the socio-economic impact of Jan Aushadhi and its potential to enhance accessibility to quality medications. The seminar featured informative sessions on the regulatory landscape, supply chain dynamics, and the collaborative efforts required to ensure the success of such initiatives. Attendees gained insights into the broader implications of Jan Aushadhi for both patients and healthcare providers. The event fostered a platform for meaningful discussions, enabling participants to grasp the nuances of implementing generic medicine programs in health management. Trimurti Institute of Pharmacy's commitment to organizing seminars of societal relevance underscores its role in promoting awareness and informed discussions within the pharmaceutical community. Overall, the seminar provided a comprehensive understanding of Jan Aushadhi's role in health management, encouraging participants to contribute to the broader goal of making essential medications more accessible to all segments of society.</p>

Description	<p>The two-day conference, "Pharma Saggrah: Knowledge Battle," held at Trimurti Institute of Pharmacy on September 15, 2022, and spearheaded by Dr. Vinita, was a dynamic forum for the exchange of pharmaceutical knowledge and expertise. The event, aptly named as a "Knowledge Battle," offered a unique platform for pharmaceutical professionals, researchers, and students to engage in intellectually stimulating discussions, debates, and competitions. Dr. Vinita, a respected figure in the field, curated a program that featured diverse sessions covering the latest advancements in drug development, regulatory affairs, and emerging trends in pharmaceutical sciences. The conference fostered a spirit of healthy competition through knowledge-based challenges, encouraging participants to showcase their expertise and problem-solving skills. It also provided a networking opportunity, allowing attendees to interact with peers, industry experts, and academics. Trimurti Institute of Pharmacy's initiative in organizing such a conference reflects its commitment to promoting academic excellence and cultivating a competitive yet collaborative learning environment. "Pharma Saggrah" not only celebrated the pursuit of knowledge in the pharmaceutical domain but also inspired participants to stay abreast of industry innovations and contribute to the ongoing advancement of pharmaceutical sciences. The event played a pivotal role in nurturing a community of informed and motivated individuals within the pharmaceutical sector.</p> <p style="text-align: right;"> PRINCIPAL Principal</p>
