GREEN CAMPUS INITIATIVES INCLUDE

BAN ON USE OF PLASTIC:

The institute initiates the plastic free campus activity which will support an Eco-friendly in nature. For that the institute banned single-use plastic items such as plastic bottles, bags, spoons, straws and cups completely and awareness is created among staff and students through orientation and display boards in the premises. To restrict the use of plastic, measures have been taken to replace plastic tea cups and glasses with steel glasses in the canteen. The staff and students are informed to use steel or copper water bottles instead of plastic bottles.

Clean and green campus initiatives

A Green Campus is a place where environmentally friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the prospect to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind. Greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energies for its daily power needs, correct disposal handling, purchase of environment friendly supplies and effective recycling program. Institute has to work out the time bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the purpose of developing a clean

The clean and green practices adopted by the institution are discussed hereunder.

- Water resources and rain water harvesting
- Energy consumption Bus facility Restricted entry of automobiles
- Pedestrian pathways
- Ban on use of plastic
- Landscaping with trees and plants
- Waste management
- Fire extinguishers for the safety of the campus buildings
- CCTV cameras installed everywhere to ensure security
- Cross ventilation and exhaust fans to maintain indoor air quality
- Lush green garden at the center of campus

Ban on use of plastic

The campus is plastic free zone; there is a complete restriction on single use plastics in the campus. Special bins are arranged to collect the plastic waste. Hazards of use of plastic are explained to students to create plastic free zone.
